7.14 Dietary Services

(a) Staffing.

The facility must employ a qualified dietitian either full-time, part-time, or on a consultant basis.

(1) If a qualified dietitian is not employed full-time, the facility must designate a person to serve as the director of food service who receives frequently scheduled consultation from a qualified dietitian.

(2) A qualified dietitian is one who is qualified based upon either registration by the Commission on Dietetic Registration of the American Dietetic Association, or on the basis of education, training or experience in identification of dietary needs, planning and implementation of dietary programs.

(3) Sufficient staff. The facility must employ sufficient support personnel competent to carry out the functions of the dietary service.
