SECTION 1400 - MEAL SERVICE

1401. General (II)

A. Facility meal service programs shall be inspected and approved by the Division of Health Licensing, and shall be regulated, inspected, and graded pursuant to R.61-25.

B. When meals are catered to a facility, such meals shall be obtained from a meal service establishment graded by the Department, pursuant to R.61-25. (I)

C. If food is prepared at a central kitchen and delivered to separate facilities or separate buildings and/or floors of the same facility, provisions shall be made for proper maintenance of food temperatures and a sanitary mode of transportation that are approved by the Division of Health Licensing.

D. Food shall be prepared by methods that conserve the nutritive value, flavor and appearance. The food shall be palatable, properly prepared, and sufficient in quantity and quality to meet the daily nutritional needs of the residents in accordance with written dietary policies and procedures.

E. Efforts shall be made to accommodate the religious, cultural, and ethnic preferences of each resident and consider variations of eating habits, unless the orders of a physician or other legally authorized healthcare provider contraindicate.

F. Nourishment stations, if provided, shall contain a hand washing sink equipped for hand washing, equipment for serving nourishment between scheduled meals, refrigerator, and storage cabinets.

G. At least one (1) dietary refrigerator shall be provided on each resident floor and shall have a thermometer accurate to plus or minus three (3) degrees Fahrenheit. In addition, if a refrigerator(s) is in a resident room for food storage, the same thermometer requirement applies.

H. Medications, nursing supplies, or biologicals shall not be stored in the dietary department or any refrigerator or storage area utilized by the dietary department.

I. The preparation of meals shall only be conducted in areas of the facility that have been approved by the Department. Extended operations of a facility's meal service program shall not be located in rooms used for other purposes, e.g., sleeping, living, laundry.

1402. Food and Food Storage (II)
A. The storage, preparation, serving, transportation of food, and the sources from which food is obtained shall be in accordance with R.61-25.

B. Home canned food shall be prohibited.

C. At least a three-day supply of staple foods and a two-day supply of perishable foods shall be maintained on the premises. Supplies shall be appropriate to meet the requirements of the menu and special or therapeutic diets.

D. Food stored in refrigerators and freezers shall be covered, labeled, and dated. Prepared food shall not be stored in the refrigerator for more than three (3) days.

E. All food in the facility shall be from food sources approved or considered satisfactory by the Department, and shall be clean, wholesome, free from spoilage, free from adulteration and misbranding, and safe for human consumption. (I)

F. Poisonous products that are used in the daily operation of the facility such as pressurized insecticides, lye, drain cleaners, ammonia, and other similar materials that are stored in food preparation areas, equipment-washing and utensil-washing areas, clean utensil storage areas, or food storage areas shall be inaccessible to residents and stored in closed cabinets or in approved designated areas. These products may be stored with detergents, sanitizers, and other cleaning compounds.

G. Hot and cold running water, under pressure, shall be provided in all areas where food is prepared, or equipment, utensils, and containers are washed.

1403. Food Equipment and Utensils

A. The storage, cleaning and sanitizing of equipment and utensils utilized shall be in accordance with R.61-25. (II)

B. There shall be written procedures for cleaning, disinfecting and sanitizing all equipment and meal service work areas.

C. All walk-in refrigerators and freezers shall be equipped with opening devices that will permit opening of the door from the inside at all times. (I)

D. Single-service articles shall be used whenever the facility is unable to clean and sanitize utensils adequately and effectively. (II)

E. Drinking containers made of porous materials shall not be used unless the containers have smooth liners which can be easily cleaned. These containers and/or liners shall be sanitized at least weekly or more often as necessary and identified for individual resident use. Disposable containers shall be replaced at least weekly. (II)

1404. Meals and Services (II)

A. All facilities shall provide meal services to meet the daily nutritional needs of the residents in accordance with the dietary reference intakes (DRIs) of the Food and Nutrition Board of the Institute of Medicine, National Academy of Sciences.
B. The dining area shall provide a comfortable and relaxed environment. Table service shall be planned in an attractive and colorful manner for each meal.

C. A minimum of three (3) nutritionally-adequate meals in each twenty-four-hour (24-hour) period shall be provided for each resident unless otherwise directed by the resident’s physician or other legally authorized healthcare provider. Residents shall be allowed to choose between a variety of foods offered. Personal preferences as to the times residents receive their meals may be honored. This may include offering smaller, more frequent meals, or snacks, or postponing meals to honor a resident’s request, e.g., to sleep or not to eat. The condition of the resident shall dictate the manner in which meal service is adjusted to suit personal preferences. Meal service systems, e.g., four-meal plans and/or buffet dining, may be offered in order to facilitate the resident receiving a variety of foods.

D. Not more than fourteen (14) hours shall elapse between the scheduled serving of the evening meal and breakfast the following day. As an exception, there may be up to sixteen (16) hours between the scheduled serving of the evening meal and breakfast the following day if approved by the resident’s attending physician and the resident, and if a nourishing snack is provided after the evening meal.

E. Food shall be cut, chopped, ground or blended to meet individual needs.

F. Special attention shall be given to preparation and prompt serving in order to maintain correct food temperatures, in accordance with R.61-25, for serving at the table or resident room (tray service).

G. The same menu items shall not be repetitively served during each seven-day period except to honor specific, individual resident requests. Substitutes of similar nutritive value shall be offered to residents who refuse food served.

H. Food and snacks shall be available and offered between meals at no additional cost to the residents. Individual resident food and snack preferences shall be honored when reasonable.

1405. Meal Service Staff

A. The health and cleanliness of all those engaged in food preparation and serving shall be in accordance with R.61-25. (II)

B. The meal service operations shall be under the direction of a dietitian or qualified food service supervisor who shall be responsible for supervising the meal service staff, planning, preparation and serving of food and the maintenance of proper records. A staff member shall be designated, by name or position, to act in the absence of this person. (II)

C. A qualified food service supervisor shall be a person who: (II)

1. Is a graduate of a dietetic technician training program approved by the American Dietetic Association; or

2. Is a graduate of a course of study meeting the requirements of the American Dietetic Association and approved by the state; or
3. Has at least three (3) years of training and experience in meal service supervision and management in a military service equivalent in content to the programs described in Sections 1405.C.1 and C.2.

D. A qualified food service supervisor shall receive consultation from a dietitian who is available on a full-time, part-time or consultant basis. (II)

E. There shall be a dietitian available to provide dietary review, menu planning, and consultation. If a dietitian is not a staff member of the facility, there shall be a valid contract for services between the facility and the dietitian. (II)

F. All meal service staff shall wear clean clothes, maintain personal cleanliness, and conform to hygienic practices while on duty. Shoes worn by meal service staff shall be closed-toed. Only authorized persons shall be allowed in the kitchen. (II)

G. Sufficient staff members shall be available to serve food and to provide individual attention and assistance, as needed. (II)

H. Individuals engaged in the preparation and service of food shall wear clean hair restraints, e.g., hair nets, hair wraps, hats, that will properly restrain all hair of the face and head and prevent contamination of food and food contact surfaces. (II)

I. There shall be trained staff members to supervise the preparation and serving of the proper diet to the residents including having sufficient knowledge of food values in order to make appropriate substitutions when necessary. (II)

J. Residents shall not be permitted to engage in food preparation unless the following criteria are met: (II)

1. The ICP of the resident has indicated food preparation as suitable and/or beneficial to the resident;

2. The resident is directly supervised by staff members, i.e., shall be in the food preparation area with the resident.

K. Meal service staff shall have the responsibility of accompanying the food to the floor, when necessary.

1406. Diets (II)

A. All diets shall be prescribed, dated and signed by the physician and be prepared in conformance with physicians’ orders giving consideration to individual resident preferences.

B. The necessary equipment for preparation of resident diets shall be available and utilized.

C. A diet manual published within the previous five (5) years shall be available and shall address at a minimum:

1. Food sources and food quality;
2. Food protection storage, preparation and service;

3. Meal service staff health and cleanliness;

4. Dietary Reference Intakes (DRIs) of the Food and Nutrition Board of the Institute of Medicine, National Academy of Sciences food serving recommendations;

5. Menu planning, including plans appropriate to special needs, e.g., diabetic, low-salt, low-cholesterol, or other diets appropriate for the elderly and/or infirm.

1407. Menus

A. Menus shall be planned and written at a minimum of four (4) weeks in advance and dated as served. The current week's menu, including routine and special diets and any substitutions or changes made, shall be readily available. At least the current day's menu shall be posted in one (1) or more conspicuous places in a public area. All substitutions made on the master menu shall be recorded in writing. Cycled menus shall be rotated so that the same weekly menu is not duplicated for at least a period of two (2) weeks.

B. Each menu shall be approved in writing by a dietitian before meals are prepared and served.

C. A file of tested recipes, adjusted to appropriate yield, shall correspond to items on the posted menus.

1408. Ice and Drinking Water (II)

A. Ice from a water system in accordance with R.61-58, shall be available and precautions taken to prevent contamination. The ice scoop shall be stored in a sanitary manner outside the ice container and allowed to air dry. The ice scoop and holding tray shall be sanitized daily.

B. Potable drinking water shall be available and accessible to residents at all times.

C. The use of common cups shall be prohibited.

D. Ice delivered to resident areas in bulk shall be in nonporous, covered containers that shall be cleaned after each use.

E. Drinking fountains of a sanitary angle jet design shall be properly regulated and maintained. There shall be no possibility of the mouth or nose becoming submerged. If drinking fountains are not provided, single service cups shall be used.

1409. Equipment

Maintenance and cleaning tools such as brooms, mops, vacuum cleaners, and similar equipment shall be maintained and stored in a way that does not contaminate food, equipment, utensils or linens and shall be stored in an orderly manner within a separate space or closet.
1410. Refuse Storage and Disposal (II)

Refuse storage and disposal shall be in accordance with R.61-25
