HFS 132.14 Licensure.

...(3) REQUIREMENTS FOR LICENSURE.

(a) In every application the license applicant shall provide the following information:

2. The identities of all persons or business entities having any ownership interest whatsoever in the facility, whether direct or indirect, and whether the interest is in the profits, land or building, including owners of any business entity which owns any part of the land or building;

4. In the case of a change of ownership, disclosure of any relationship or connection between the old licensee and the new licensee, and between any owner or operator of the old licensee and the owner or operator of the new licensee, whether direct or indirect.
