19-13-D8T. CHRONIC AND CONVALESCENT NURSING HOMES AND REST HOMES WITH NURSING SUPERVISION

...(f) Administrator.

...(3) The administrator shall be responsible for the overall management of the facility and shall have the following powers and responsibilities:

...(J) Together with the medical director and director of nurses, development of a coordinated program for orientation to the facility, in-service training, and continuing education for all categories of staff in order to develop skills and increase knowledge so as to improve patient care;

...(h) Medical director.

...(2) The medical director shall have the following powers and responsibilities:

...(L) Assist in the development of and participate in a staff orientation and training program in cooperation with the administrator and the director of nurses, as required by subsection (f) (3) (J) of these regulations.

...(j) Director of nurses.

...(2) The director of nurses shall be responsible for the supervision, provision, and quality of nursing care in the facility. The director of nurses’ powers and duties shall include, but not necessarily be limited to, the following:

...(J) assistance in the development of and participation in a staff orientation and training program, in cooperation with the administrator and medical director, as required by subsection (f) (3) (J) of section 19-13-D8t of the Regulations of Connecticut State Agencies;

...(s) Social Work.

...(8) All staff of the facility shall receive inservice training by or under the direction of a qualified social worker or social work designee each year concerning patients’ personal and property rights pursuant to Section 19a-550 of the Connecticut General Statutes.

(9) All staff of the facility shall receive inservice training by a qualified social worker or qualified social work consultant each year in an area specific to the needs of the facility’s patient population.

...(u) Emergency preparedness plan.

...(5) All personnel shall receive training in emergency preparedness as part of their employment orientation. Staff shall be required to read and acknowledge by signature understanding of the emergency preparedness plan as part of the orientation. The content and participants of the training orientation shall be documented in writing.
(c) IV Therapy Programs in Chronic and Convalescent Nursing Homes. IV Therapy may be administered in a chronic and convalescent nursing home in accordance with the following requirements:

(1) The IV therapy program shall be developed and implemented in a manner which ensures safe care for all patients receiving IV therapy which shall include at least the following:

...(C) Written policies and procedures concerning:

(i) Establishment of the standards of education, training, ongoing supervision, in-service education and evaluation of all personnel in the program including the IV therapy nurses, licensed nursing personnel and supportive nursing personnel...
