§11-94-9 DENTAL SERVICES.
...(d) Nursing staff shall receive inservice training in oral hygiene and denture care at least annually.

§11-94-11 DIETETIC SERVICES.
...(f) Food services, planning and storage.
...(4) Food service.
...(H) If the food service is directed by a person other than a qualified dietitian, there shall be frequent and regularly scheduled consultation by a dietitian or public health nutritionist. This consultation shall be given in the facility at the rate of four hours per every twenty-five patients per month and shall not be less than six hours per month. Consultation, training, and inservice education shall be appropriate to staff and patient needs and shall be documented.

§11-94-18 INSERVICE EDUCATION.
(a) There shall be a staff inservice education program that includes:

(1) Orientation for all new employees to acquaint them with the philosophy, organization, program, policies, and procedures, practices, and goals of the facility.

(2) Inservice training for employees who have not achieved the desired level of competence, and continuing inservice education to update and improve the skills and competencies of all employees.

(3) Inservice training which shall include annually: prevention and control of infections, fire prevention and safety, accident prevention, patient’s rights, and problems and needs of the aged, ill, and disabled. Provision shall be made for training appropriate personnel in cardiopulmonary resuscitation and appropriate first aid techniques.

(b) Records shall be maintained for all orientation and staff development programs.
