SECTION 6. QUALITY OF LIFE. [NURSING FACILITIES]

...7) Environment.

...(b) Infection control and communicable diseases.

... 3. The facility shall provide in-service education programs on the cause, effect, transmission, prevention and elimination of infections for all personnel responsible for direct patient care.

SECTION 15. ADMINISTRATION. [NURSING FACILITIES]

...(3) Required training of nurse aides.

...(c) Regular in-service education. The facility shall provide regular performance review and regular in-service education to ensure that individuals used as nurse aides are competent to perform services as nurse aides. In-service education must include training for individuals providing nursing and nursing related services to residents with cognitive impairments.
