410 IAC 16.2-3.1-13 Administration and management

...(u) The facility must designate a physician to serve as medical director.

(v) The medical director shall be responsible for the following:

(1) Acting as a liaison between the administrator and the attending physicians to encourage physicians to write orders promptly and to make resident visits in a timely manner.

(2) Reviewing, evaluating, and implementing resident care policies and procedures and to guide the director of nursing services in matters related to resident care policies and services.

(3) Reviewing incidents and accidents that occur on the premises to identify hazards to health and safety.

(4) Reviewing employees’ pre-employment physicals and health reports and monitoring employees’ health status.

(5) The coordination of medical care in the facility.
