§ 211.2. PHYSICIAN SERVICES.

...(c) A facility shall have a medical director who is licensed as a physician in this Commonwealth and who is responsible for the overall coordination of the medical care in the facility to ensure the adequacy and appropriateness of the medical services provided to the residents. The medical director may serve on a full-or part-time basis depending on the needs of the residents and the facility and may be designated for single or multiple facilities. There shall be a written agreement between the physician and the facility.

(d) The medical director’s responsibilities shall include at least the following:

(1) Review of incidents and accidents that occur on the premises and addressing the health and safety hazards of the facility. The administrator shall be given appropriate information from the medical director to help insure a safe and sanitary environment for residents and personnel.

(2) Development of written policies which are approved by the governing body that delineate the responsibilities of attending physicians.
