s 72601. Alterations to Existing Buildings or New Construction.

(a) Alterations to existing buildings licensed as skilled nursing facilities or new construction shall be in conformance with Chapter 1, Division 17, Part 6, Title 24, California Administrative Code and requirements of the State Fire Marshal.

(b) Facilities licensed and in operation prior to the effective date of changes in construction regulations shall not be required to institute corrective alterations or construction to comply with such new requirements except where specifically required or where the Department determined in writing that a definite hazard to health and safety exists. Any facility for which preliminary or working drawings and specifications have been approved by the Department prior to the effective date of changes to construction regulations shall not be required to comply with such new requirements provided substantial actual construction is commenced within one year of the effective date of such new requirements.

(c) All facilities shall maintain in operating condition all buildings, fixtures and spaces in the numbers and types as specified in the construction requirements under which the facility or unit was first licensed.

Note: Authority cited: Sections 208(a) and 1275, Health and Safety Code. Reference: Section 1276, Health and Safety Code.

s 72603. Space Conversion.

Spaces approved for specific uses at the time of licensure shall not be converted to other uses without the approval of the Department.

Note: Authority cited: Sections 208(a) and 1275, Health and Safety Code. Reference: Section 1276, Health and Safety Code.

s 72605. Notice to Department.

The Department shall be notified in writing, by the owner or licensee of the skilled nursing facility, within five days of the commencement of any construction, remodeling or alterations to such facility.

Note: Authority cited: Sections 208(a) and 1275, Health and Safety Code. Reference: Section 1276, Health and Safety Code.
