Nurses' Station & Resident Call System

7.3.4 The facility shall be equipped with a resident call system which meets the current standards of the Guidelines for Design and Construction of Health Care Facilities. An intermediate care facility serving only developmentally disabled residents shall be exempt from this regulation.

Shower/Tub Room

7.4.3.2 A minimum of one bathtub or shower shall be provided for every 20 residents not otherwise served by bathing facilities within residents’ rooms. Each nursing unit shall have at least one bathtub.

7.4.3.3 Each tub or shower in a central bathing facility shall be in an individual room or enclosure with space for the private use of the tub or shower, for drying and dressing, and for a wheelchair and attendant. Showers shall be at least four feet square without curbs. Toilets in central bathing facilities shall have provisions for privacy.

New Construction: Nursing Unit
