19 CSR 30-85.042 Administration and Resident Care Requirements for New and Existing Intermediate Care and Skilled Nursing Facilities

...(12) A supervising physician shall be available to assist the facility in coordinating the overall program of medical care offered in the facility. II

...(42) Each facility resident shall be under the medical supervision of a Missouri-licensed physician who has been informed of the facility’s emergency medical procedures and is kept informed of treatments or medications prescribed by any other professional lawfully authorized to prescribe medications. I/II

(43) Facilities shall ensure that at the time the resident is admitted, the facility obtains from a physician the resident’s primary diagnosis along with current medical findings and the written orders for the immediate care of the resident. II/III

(44) The facility shall ensure that the resident’s private physician, the physician’s designee, the facility’s supervising physician or an alternate physician shall examine the resident at least annually, and shall examine proper medical care. I/II

(45) For each medical examination, the physician must review the resident’s care, including medications and treatments; write, sign and date progress notes; and sign and date all orders. The facility shall establish a policy requiring the physician to sign orders and to complete all other documentation required if the physician does not visit the resident routinely. II/III
