19 CSR 30-82.070 Alzheimer's Demonstration Projects

...(9) All facilities selected to participate in the demonstration projects shall demonstrate the ability to comply with the following minimum requirements set forth in section 198.086, RSMo Supp. 1999:

...(B) Facilities shall design and implement self-care, productive and leisure activity programs for individuals with Alzheimer’s or other related dementias. These programs shall continually strive to promote the highest practicable physical and mental abilities and functioning of each resident.

...(E) Facilities shall design and implement a resident environment which promotes the maintenance of the residents’ social abilities through daily and frequent opportunities for socialization and appropriate activities. The residential environment shall be designed and utilized in such a way as to reflect the individual preferences of residents and to provide as much independence and opportunities for choices throughout a day as possible;

19 CSR 30-85.042 Administration and Resident Care Requirements for New and Existing Intermediate Care and Skilled Nursing Facilities

....(93) The facility shall designate an employee to be responsible for the activity program. The designated person shall be capable of identifying activity needs of residents, designing and implementing programs to maintain or increase, or both, the resident’s capability in activities of daily living. Facilities shall provide activity programs on a regular basis. Each resident shall have a planned activity program which includes individualized activities, group activities and activities outside the facility as appropriate to his/her needs and interests. II/III

(94) The facility shall provide and use adequate space and equipment within the facility for the identified activity needs of residents. II/III

(95) The facility shall establish and maintain a program for informing all residents in advance of available activities, activity location and time. III
