59A-4.109 Resident Assessment and Care Plan.

...(3) At the resident’s option, every effort shall be made to include the resident and family or responsible party, including private duty nurse or nursing assistant, in the development, implementation, maintenance and evaluation of the resident plan of care.

400.022 Residents’ rights.

(b) The right to private and uncensored communication, including, but not limited to, receiving and sending unopened correspondence, access to a telephone, visiting with any person of the resident’s choice during visiting hours, and overnight visitation outside the facility with family and friends in accordance with facility policies, physician orders, and Title XVIII (Medicare) and Title XIX (Medicaid) of the Social Security Act regulations, without the resident’s losing his or her bed. Facility visiting hours shall be flexible, taking into consideration special circumstances such as, but not limited to, out-of-town visitors and working relatives or friends. Unless otherwise indicated in the resident care plan, the licensee shall, with the consent of the resident and in accordance with policies approved by the agency, permit recognized volunteer groups, representatives of community-based legal, social, mental health, and leisure programs, and members of the clergy access to the facility during visiting hours for the purpose of visiting with and providing services to any resident.

...(e) The right to organize and participate in resident groups in the facility and the right to have the resident’s family meet in the facility with the families of other residents.

(f) The right to participate in social, religious, and community activities that do not interfere with the rights of other residents.

...(m) The right to have privacy in treatment and in caring for personal needs; to close room doors and to have facility personnel knock before entering the room, except in the case of an emergency or unless medically contraindicated; and to security in storing and using personal possessions. Privacy of the resident’s body shall be maintained during, but not limited to, toileting, bathing, and other activities of personal hygiene, except as needed for resident safety or assistance. Residents’ personal and medical records shall be confidential and exempt from the provisions of s. 119.07(1).

(n) The right to be treated courteously, fairly, and with the fullest measure of dignity and to receive a written statement and an oral explanation of the services provided by the licensee, including those required to be offered on an as-needed basis.

...(q) The right to freedom of choice in selecting a personal physician; to obtain pharmaceutical supplies and services from a pharmacy of the resident’s choice, at the resident’s own expense or through Title XIX of the Social Security Act; and to obtain information about, and to participate in, community-based activities programs, unless medically contraindicated as documented by a physician in the resident’s medical record. If
a resident chooses to use a community pharmacy and the facility in which the resident resides uses a unit-dose system, the pharmacy selected by the resident shall be one that provides a compatible unit-dose system, provides service delivery, and stocks the drugs normally used by long-term care residents. If a resident chooses to use a community pharmacy and the facility in which the resident resides does not use a unit-dose system, the pharmacy selected by the resident shall be one that provides service delivery and stocks the drugs normally used by long-term care residents.
