...(44) Multi-bed resident rooms shall have screens or curtains, either portable or permanently affixed, available and used to provide privacy as needed or as requested. III

19 CSR 30-85.042 Administration and Resident Care Requirements for New and Existing Intermediate Care and Skilled Nursing Facilities

...(11) Regular daily visiting hours shall be established and posted. Relatives or guardians and clergy, if requested by the resident or family, shall be allowed to see critically ill residents at any time unless the physician orders otherwise in writing. II/III

...(69) Taking into consideration the resident’s preferences, residents shall be well-groomed and dressed appropriately for the time of day, the environment and any identified medical conditions. II/III

19 CSR 30-88.010 Resident Rights

...(13) Each resident shall be afforded the opportunity to participate in the planning of his or her total care and medical treatment, to refuse treatment and to participate in experimental research only upon his or her informed written consent. If a resident refuses treatment, this refusal shall be documented in the resident’s record and the resident, his or her legally authorized representatives or designees, or both, shall be informed of possible consequences of not receiving treatment. II

(14) Each resident shall have the privilege of selecting his or her own physician who will be responsible for the resident's total care. II

...(29) Each resident shall be treated with consideration, respect, and full recognition of his or her dignity and individuality, including privacy in treatment and care of his or her
personal needs. All persons, other than the attending physician, the facility personnel necessary for any treatment or personal care, or the department or Department of Mental Health staff, as appropriate, shall be excluded from observing the resident during any time of examination, treatment, or care unless consent has been given by the resident. II/III

...(31) Each resident shall be permitted to communicate, associate, and meet privately with persons of his or her choice whether on the resident’s initiative or the other person’s initiative, unless to do so would infringe upon the rights of other residents. The person(s) may visit, talk with, and make personal, social, or legal services available, inform residents of their rights and entitlements by means of distributing educational materials or discussions, assisting residents in asserting their legal rights regarding claims for public assistance, medical assistance and Social Security benefits, and engaging in any other methods of assisting, advising, and representing residents so as to extend to them the full enjoyment of their rights. The facility, however, may place reasonable limitations on solicitations. II/III

(32) The facility shall permit a resident to meet alone with a person or persons of his or her choice and provide an area which assures privacy. II/III

...(35) Each resident shall be permitted to participate, as well as not participate, in activities of social, religious, or community groups at his/her discretion, both within the facility, as well as outside the facility, unless contraindicated for reasons documented by physician in the resident’s medical record. II/III

...(37) Each married resident shall be assured privacy for visits by his or her spouse. II/III

(38) If both husband and wife are residents, they shall be allowed the choice of sharing or not sharing a room. III

(39) If siblings and/or a parent and his or her child are both residents, the facility shall allow the family members the choice of sharing or not sharing a room upon availability of room(s) appropriate to accommodate the residents. III

...(41) Residents shall not have their personal lives regulated or controlled beyond reasonable adherence to meal schedules and other written policies which may be necessary for the orderly management of the facility and the personal safety of the residents. II
