SECTION 15. ADMINISTRATION. [NURSING FACILITIES]

...(13) Quality assessment and assurance.

(a) A facility shall maintain a quality assessment and assurance committee consisting of:

1. The director of nursing services;

2. A physician designated by the facility; and

3. At least three (3) other members of the facility’s staff.

(b) The quality assessment and assurance committee:

1. Meets at least quarterly to identify issues with respect to which quality assessment and assurance activities are necessary; and

2. Develops and implements appropriate plans of action to correct identified quality deficiencies.
