7 AAC 12.270. Staff duties

(a) The nursing facility staff shall encourage and assist residents to achieve and maintain their highest level of self-care and independence. A registered nurse, in conjunction with an interdisciplinary team, shall, within 14 days of admission of a resident, ensure completion of the comprehensive resident assessment instrument approved by the department. The assessment shall be reviewed by the nurse and interdisciplinary team no less frequently than quarterly and the plan of care revised as necessary. A reassessment shall be completed, by the nurse and interdisciplinary team, after any major permanent change in condition of the resident, but no less frequently than annually.

7 AAC 12.670. Nursing service

(a) A licensed nurse shall write a patient care plan for each patient in consultation with other patient care personnel and the patient.

(b) The patient care plan must reflect analysis of patient problems and needs, treatment goals, medication prescribed and, upon discharge, instructions given to the patient and the patient’s family regarding medication management, including any risks, side effects, and benefits expected, and including any recommended activities and diet.
