Section 21.0 Resident Care Policies

21.3 As part of the initial resident admission and assessment process, the facility shall review and consider any notice provided to the facility as required in subsection 42-56-10(23) of the Rhode Island General Laws, as amended, concerning the resident’s or prospective resident’s status on parole and recommendations, if any, from the Department of Corrections regarding safety and security measures.

Section 25.0 Selected Nursing Care Procedures

25.1 Written resident care plans, including problems, measurable goals, interventions, and time frames, shall be developed and maintained for each resident consonant with the attending physician’s plan of medical care.

a) Resident care plans shall be reviewed, evaluated and revised by professional staff no less than every three months, or when there is a significant change in the resident’s health status.
