44:04:04:07.03. Prevention and control of influenza. Nursing facilities and assisted living centers shall arrange for influenza vaccination to be completed annually for all residents. Residents admitted after completion of the vaccination program and before April 1 must be offered influenza vaccine when they are admitted. Influenza vaccination may be waived for residents because of religious beliefs, medical contraindication, or refusal by the resident. Documentation of vaccination or its waiver must be recorded in the resident’s medical or care record.
