18.K.Food Service

18.K.4. Food shall be palatable and attractively served in appropriate portions and in a form designed to meet individual needs.

18.K.6. Service at a table in a dining area, other than a bedroom, shall be encouraged for all who can and will eat at a table, including wheelchair residents.

18.K.7. All residents seated at the same table shall be served at the same time.

18.K.8. Food shall be served on dishes and shall not be in direct contact with trays.

18.K.9. Trays, when used, shall rest on firm supports such as over-bed tables for bedfast residents. Sturdy tables of proper height shall be provided for residents able to be out of bed
