Part 11. DIETARY SERVICES

11.1 DIETARY SERVICES. The facility shall ... offer nourishing snacks.

11.2 ORGANIZATION. The facility shall have an organized food service, appropriately planned, equipped, and staffed to prepare and serve the number of meals created in the kitchen. The facility shall offer at least three meals or their equivalent per day, at regular times, with not more than 14 hour between the beginning of the evening meal and breakfast. Routine seatings shall be no later than 8 A.M. for breakfast and no earlier than 5 P.M. for the evening meal. Timing of meals shall generally comport with cultural practices in the community, unless inconsistent with these regulations.
