The determination shall be based on the resident's latest nursing assessment and plan of care, which is performed in accordance with generally accepted standards of practice and applicable laws and regulations;

(b) The resident's plan of care shall clearly reflect the nurse's determination that the resident may be safely assisted with feeding and hydration by a dining assistant; and

(c) Dining assistants shall not provide feeding and hydration assistance to residents who have complicated feeding problems, including, but not limited to, difficulty swallowing, recurrent lung aspirations, and tube or parenteral/IV feedings.

(5) The nursing home's dining assistant training program shall be conducted under the direction of a registered nurse and shall require participants to perform return demonstrations, as applicable, to demonstrate competencies on program components.

- (i) Resident rights, including abuse and neglect prevention.

(7) The nursing home shall maintain a written record of all individuals who have successfully completed the dining assistant training program. At a minimum, such written record maintained by the nursing home must include the dining assistant's complete name and address, the name and address of the nursing home, the name and signature of the registered nurse directing the training program, and the date the training program was successfully completed. The nursing home shall provide a copy of such written record in a timely manner to any dining assistant who has successfully completed the training program upon the dining assistant's written request.

(8) A copy of the written record of the satisfactory completion of the dining assistant training program may be used by a subsequent nursing home hiring the dining assistant in lieu of repeating the training, provided that the dining assistant satisfactorily performs return demonstrations of the minimum skills required of dining assistants as specified in these rules for the hiring nursing home. Such satisfactory demonstrations of skills shall be documented by a registered nurse and retained by the nursing home in the dining assistant's record along with a copy of the initial documentation of successful completion of the training program as specified in these rules.
