

SOUTH DAKOTA

Downloaded January 2011

44:04:04:07.03. Prevention and control of influenza. Nursing facilities and assisted living centers shall arrange for influenza vaccination to be completed annually for all residents. Residents admitted after completion of the vaccination program and before April 1 must be offered influenza vaccine when they are admitted. Influenza vaccination may be waived for residents because of religious beliefs, medical contraindication, or refusal by the resident. Documentation of vaccination or its waiver must be recorded in the resident's medical or care record.

44:04:04:07.04. Prevention and control of pneumonia. Each nursing facility and assisted living center shall arrange for immunization for pneumococcal disease. If immunization is lacking and the resident's physician recommends it, the nursing facility shall arrange for and the assisted living center shall encourage residents to obtain an immunization for pneumococcal pneumonia within 14 days of admission. Pneumococcal vaccination may be waived for the residents because of religious beliefs, medical contraindication, or refusal by the resident. Documentation of the vaccination or its waiver must be recorded in the resident's medical or care record.
