

HAWAII

§11-94-21 Medical director.

Skilled nursing facilities shall have a physician to serve full time or part time as a medical director whose responsibilities are as specified in 42 C.F.R. §405.1122. Intermediate care facilities shall have a physician designated to serve as a medical advisor as needed for infectious disease control.

[Eff. May 3, 1985] (Auth: §§321-9, 321-11) (Imp: HRS §§321-9, 321-11)
