

§11-94-25 Patient accounts.

(a) In the event the facility agrees to manage the patient's personal funds, a written itemized account, available to patient or guardian shall be maintained current for each patient with:

(1) Written receipts for all personal possessions and funds received by or deposited with the facility; and

(2) Written receipts for all disbursements made to or on behalf of the patient.

(b) Upon request of patient or guardian, articles kept for safekeeping shall be released.

(c) Neither the administrator nor any staff member nor any member of this governing board, nor any owner of a facility shall serve as guardian for a patient residing in the facility.
