

303.OTHER SERVICES.

If a SNF or ICF offers home health, hospice or other services from the facility, the needs and requirements for the delivery of those services shall in no way interfere with the ongoing operation of the SNF or ICF. This includes, but is not limited to, the use of SNF or ICF staff which shall not reduce the required nursing hours per patient/resident per day in the SNF or ICF. (1-1-88)
