MEDICATION AIDE

28-39-169a. Medication aide.

(a) Each medication aide candidate shall be either a nurse aide who has been issued a certificate by the licensing agency or a qualified mental retardation professional as defined in 42 C.F.R. 483.430(a), revised October 1, 2001 and hereby adopted by reference, and shall meet the following requirements.

(1) Has completed a course in medication administration approved by the licensing agency; and

(2) has passed a state test as approved by the licensing agency.

(b) Each person who has met one of the following requirements shall be eligible to enroll in a medication aide course.

(1) Is a nurse aide who has a Kansas nurse aide certificate and who has been screened and tested for reading comprehension at an eighth-grade level; or

(2) is a qualified mental retardation professional employed by an intermediate care facility for the mentally retarded.

(c) A qualified mental retardation professional who is not a nurse aide, who has completed a course in medication administration as approved by the licensing agency, and who has passed the state test shall be allowed to administer medications only to residents in an intermediate care facility for the mentally retarded.

(d)(1) Each medication aide course shall meet the following requirements:

(A) Consist of a minimum of 75 total hours, which shall include a minimum of 25 hours of clinical instruction;

(B) be prepared and administered in accordance with the guidelines prescribed by the licensing agency and follow the content outlined in the "Kansas medication aide curriculum," dated April 1, 2003, and the "Kansas medication aide sponsor and instructor manual," pages 1 through 17, dated November 13, 2003, which are hereby adopted by reference and

(C) be sponsored by one of the following:

(i) A postsecondary school under the jurisdiction of the state board of regents;

(ii) a state-operated institution for the mentally retarded; or

(iii) a professional health care association approved by the licensing agency.

(2) No correspondence course shall be approved as a medication aide course.

(3) Distance-learning and computer-based educational offerings shall be required to meet the requirements specified in this subsection.

(e) Each medication aide course instructor shall meet the following requirements:

(1) Each person who intends to be a course instructor shall submit an instructor approval application form to the licensing agency at least three weeks before offering an initial course and shall be required to receive approval as an instructor before the first day of an initial course.

(2) Each instructor shall be a registered nurse with a current Kansas license and two years of clinical experience as a registered nurse. Any Kansas-licensed pharmacist actively working in the pharmacy field may conduct part of the training under the supervision of an approved instructor.

(f) Each course sponsor and course instructor shall be responsible for ensuring that the following requirements are met:

(1) Only persons who meet the qualifications specified in subsection (b) of this regulation shall be eligible to take the course.

(2) Each trainee shall be screened and tested for comprehension of the written English language at an eighth-grade reading level before enrolling in the course.

(3) The course shall be prepared and administered in accordance with the guidelines and follow the content in the “Kansas medication aide curriculum,” and the “Kansas medication aide sponsor and instructor manual,” as adopted in subsection (d) of this regulation.

(4) The clinical instruction and skills performance involving the administering of medications shall be under the direct supervision of the course instructor.

(5) During the clinical instruction and skills performance, the course instructor shall perform no other duties than the provision of direct supervision to the trainees.

(g) Any course instructor or course sponsor who does not fulfill the requirements of this regulation may be subject to withdrawal of approval to serve as a course instructor or a course sponsor.

(h) Any person whose education or training has been deemed equivalent to the medication aide course by an approved sponsor as specified in paragraph (d)(1)(C) may apply to take the state test to become certified as a medication aide. Before requesting a determination of equivalency for a person’s education or training, that person shall be a Kansas-certified nurse aide and shall meet one of the following conditions:

(1) The person is currently credentialed to administer medications in another state. The licensing agency or the designated agent shall evaluate that state’s credentialed training for equivalency in content and skills level to the requirements for certification as a medication aide in Kansas.

(2) The person is currently enrolled in an accredited practical nursing or professional nursing program and has completed a course of study in pharmacology with a grade of C or better.

(3) The person is currently licensed in Kansas or another state, or has been licensed within 24 months from the date of application, as a licensed mental health technician, and there are no pending or current disciplinary actions against the individual's license.

(4) The person has been licensed in Kansas or another state, within 24 months from the date of application, as a licensed practical nurse whose license is inactive or a registered nurse whose license is inactive, and there are no pending or current disciplinary actions against the individual's license.

(Authorized by K.S.A. 75-5625; implementing K.S.A. 65-1124; effective Dec. 29, 2003.)

STATE MEDICATION AIDE TEST**28-39-169b. State medication aide test.**

(a) The state test shall be administered by the licensing agency or the designated agent and in accordance with guidelines prescribed by the licensing agency as outlined in the “test administration manual for proctors of the medication aide tests,” dated October 17, 2002, which is hereby adopted by reference.

(1) Each person who has completed the medication aide course as specified in K.A.R. 28-39-169a shall have a maximum of two attempts to pass the state test within 12 months after the first day of the course. If the person does not pass the test within this 12-month period, the course shall be retaken. Each time the person successfully completes the course, the person shall have two attempts to pass the state test within 12 months after the first day of the course. The number of times a person may retake the course shall be unlimited.

(2) Each person who is a Kansas-certified nurse aide and whose training has been deemed equivalent to the Kansas medication aide course shall have a maximum of one attempt to pass the test within 12 months after the date the equivalency is approved. If the person does not pass the test within this 12-month period, the person shall be required to take the medication aide course.

(3) There shall be three different forms of the state test. The different forms of the test shall be used on an alternating basis. Each of the three forms shall be comprised of 85 multiple-choice questions. The passing scores for the three forms of the test shall be as follows:

(A) A score of 57 or higher shall constitute a passing score for form 1 of the state test.

(B) A score of 61 or higher shall constitute a passing score for form 2 of the state test.

(C) A score of 63 or higher shall constitute a passing score for form 3 of the state test.

(4) Only persons who have met the requirements specified in K.A.R. 28-39-169a(a)(1) and (h) shall be eligible to take the state test.

(5) Each person whose second language is English shall be allowed to use a bilingual dictionary while taking the state test. Limited English proficiency shall not constitute a disability with regard to accommodation. An extended testing period of up to two additional hours may be offered to persons with limited English proficiency.

(b) Each person shall be issued a medication aide certificate by the licensing agency and shall be listed on a public nurse aide registry upon successful completion of the requirements specified in K.A.R. 28-39-169a(a) and (h).

(c) The course instructor shall submit to the licensing agency a course roster of names, an application form, and a nonrefundable application fee of \$20.00 for each medication aide who has completed the course and passed the state test.

(d) A replacement medication aide certificate for a medication aide whose certification is current shall be issued by the licensing agency upon the receipt and processing of a certificate replacement form and a nonrefundable fee of \$20.00.

(Authorized by K.S.A. 65-1,121 and K.S.A. 75-5625; implementing K.S.A. 65-1, 121 and 65-1124; effective Dec. 29, 2003.)

MEDICATION AIDE CONTINUING EDUCATION**28-39-169c. Medication aide continuing education.**

(a) Each person who has a certificate of completion for a medication aide training course as specified in K.A.R. 28-39-169a and who wishes to maintain the certificate shall complete, every two years, a program of 10 hours of continuing education approved by the licensing agency.

(b) The continuing education requirement shall include one or more of the following topics:

(1) Classes of drugs and new drugs;

(2) new uses of drugs;

(3) methods of administering drugs;

(4) alternative treatments, including herbal drugs and their potential interaction with traditional drugs;

(5) safety in the administration of drugs; or

(6) documentation.

(c) Each program of continuing education shall be sponsored by one of the following:

(1) A postsecondary school under the jurisdiction of the state board of regents;

(2) an adult care home;

(3) a long-term care unit of a hospital;

(4) a state-operated institution for the mentally retarded; or

(5) a professional health care association approved by the licensing agency.

(d) Each course instructor shall be a registered nurse with a current Kansas license and two years of clinical experience as a registered nurse or a licensed practical nurse. Any Kansas-licensed pharmacist actively working in the pharmacy field may be selected to conduct part of the training under the supervision of the instructor.

(e) Each person who intends to be a course instructor shall submit an instructor approval application form to the licensing agency at least three weeks before offering an initial course and shall be required to receive approval as an instructor before the first day of an initial course.

(f) Each sponsor and course instructor of continuing education shall be responsible for ensuring that the following requirements are met:

(1) The course shall be prepared and administered as prescribed by regulation and the “Kansas medication aide sponsor and instructor manual,” as adopted in K.A.R. 28-39-169a.

(2) A course approval application form shall be submitted to the licensing agency at least three weeks before offering a course, and course approval shall be required to be received before beginning the course.

(3) A course roster of names, a renewal application form, and a nonrefundable renewal application fee of \$20.00 for each medication aide who has completed the course shall be submitted to the licensing agency.

(4) If clinical instruction in administering medications is included in the program, each student administering medications shall be under the direct supervision of the registered nurse instructor.

(g) Any sponsor or instructor who does not fulfill the requirements specified in subsections (d), (e), and (f) of this regulation may be subject to withdrawal of approval to serve as a course instructor or a course sponsor.

(h) College credits or vocational training may be approved by the licensing agency as substantially equivalent to medication aide continuing education. The instructor or nursing program coordinator shall submit a department-approved form attesting that the course content is substantially equivalent to the topics listed in paragraphs (b)(1) through (6) of this regulation.

(i) Each certified medication aide shall be responsible for notifying the licensing agency of any change in the aide’s address or name.

(j) No correspondence course shall be approved for a medication aide continuing education course.

(k) Distance-learning educational offerings and computer-based educational offerings shall meet the requirements specified in subsections (b), (c), (d), (e), (f), and (g) of this regulation.

(l) Each medication aide certificate shall be renewed upon the department’s receipt from the course instructor of the following:

(1) Verification of the applicant’s completion of 10 hours of approved continuing education;

(2) a renewal application form; and

(3) a nonrefundable renewal application fee of \$20.00.

(m) Each medication aide certificate or renewed certificate shall be valid for two years from the date of issue.

(n) Each applicant for renewal of certification shall have completed the required number of hours of documented and approved continuing education during each certification period immediately preceding renewal of the certificate. Approved continuing education hours completed in excess of the requirement shall not be carried over to a subsequent renewal period.

(o) Each medication aide certificate that has been expired for three or fewer years shall be reinstated upon the department's receipt of the following:

(1) Verification of the applicant's completion of 10 hours of approved continuing education. This continuing education shall have been completed within the three-year period following expiration of the certification;

(2) a renewal application form; and

(3) a nonrefundable renewal application fee of \$20.00.

(p) Each lapsed certificate renewed within the three-year period specified in subsection (o) shall be valid for two years from the date of issuance.

(q) Each person whose medication aide certification has been expired for more than three years shall be required to retake the 75-hour medication aide course.

(Authorized by K.S.A. 65-1,121 and K.S.A. 75-5625; implementing K.S.A. 65-1,121 and 65-1124; effective Dec. 29, 2003.
