

Subchapter B. Nursing Services

§9809. General Provisions

A. The nursing home shall have sufficient nursing staff to provide nursing and related services that meet the needs of each resident. The nursing home shall assure that each resident receives treatments, medications, diets, and other health services as prescribed and planned, all hours of each day.

AUTHORITY NOTE: Promulgated in accordance with R.S. 40:2009.1-2116.4.

HISTORICAL NOTE: Promulgated by the Department of Health and Hospitals, Office of the Secretary, Bureau of Health Services Financing, LR 24:56 (January 1998).

§9811. Nursing Service Personnel

A. The nursing home shall provide a sufficient number of nursing service personnel consisting of registered nurses, licensed practical nurses, and nurse aides to provide nursing care to all residents in accordance with resident care plans 24 hours per day.

1. As a minimum, the nursing home shall provide 1.5 hours of care per patient each day.

2. Nursing service personnel shall be assigned duties consistent with their education and experience, and based on the characteristics of the resident load and the kinds of nursing skills needed to provide care to the residents.

3. Nursing service personnel shall be actively on duty. Licensed nurse coverage shall be provided 24 hours per day.

B. The nursing home shall designate a registered nurse to serve as the director of nursing services on a full-time basis during the day-tour of duty. The director of nursing services may serve as charge nurse only when the nursing home has an average daily occupancy of 60 or fewer residents.

C. If the director of nursing services has non-nursing administrative responsibility for the nursing home on a regular basis, there shall be another registered nurse assistant to provide direction of care-delivery to residents.

D. There shall be on duty, at all times, at least one licensed nurse to serve as charge nurse responsible for the supervision of the total nursing activities in the nursing home or assigned nursing unit.

E. Nurse aides shall be assigned duties consistent with their training and successful demonstration of competencies.

F. In building complexes or multistory buildings, each building or floor housing residents shall be considered a separate nursing unit and staffed separate, exclusive of the director of nursing.

AUTHORITY NOTE: Promulgated in accordance with R.S. 40:2009.1-2116.4.

HISTORICAL NOTE: Promulgated by the Department of Health and Hospitals, Office of the Secretary, Bureau of Health Services Financing, LR 24:56 (January 1998).

§9813. Nursing Care

A. Each resident shall receive personal attention and nursing care in accordance with his/her condition and consistent with current acceptable nursing practice. Residents unable to carry out activities of daily living shall receive the necessary services to maintain good nutrition, grooming, and personal and oral hygiene.

B. Each resident shall be kept clean, dry, well-groomed and dressed appropriately to the time of day and the environment; and good body and oral hygiene shall be maintained. Skin care shall be provided to each resident as needed to prevent dryness, scaling, irritation, itching, and/or pressure sores.

C. Restorative nursing care shall be provided to each resident to achieve and maintain the highest possible degree of function, self-care, and independence. Restorative nursing care shall be provided for the residents requiring such care.

D. Residents requiring assistance at mealtimes shall be assisted when necessary.

E. The nursing home shall endeavor to keep residents free from pressure sores with measures taken toward their prevention.

F. Residents requiring restraints shall be restrained with standard types of devices, applied in a manner consistent with manufacturer's specifications, and that permits speedy removal in the event of an emergency. Each restrained resident shall be monitored every 30 minutes and released for 10 minutes every two hours. Restraints shall not be used for punishment nor convenience of staff.

G. The nursing home shall promptly inform the resident; consult with the resident's attending physician; notify the resident's legal representative or interested family member, if known; and maintain documentation when there is an accident which results in injury and requires physician intervention, or significant change in the resident's physical, mental, or psychosocial status.

AUTHORITY NOTE: Promulgated in accordance with R.S. 40:2009.1-2116.4.

HISTORICAL NOTE: Promulgated by the Department of Health and Hospitals, Office of the Secretary, Bureau of Health Services Financing, LR 24:56 (January 1998).
