

7.9.2.39 TRANSFER AGREEMENTS:

A. REQUIREMENT: Each facility shall have in effect a transfer agreement with one or more hospitals under which in-patient hospital care or other hospital services are available promptly to the facility's resident's when needed. Facilities under same management having identified distinct parts are exempt from transfer agreements.

B. TRANSFER OF RESIDENTS: A hospital and a facility shall be considered to have a transfer agreement in effect if there is a written agreement between them or, when the two (2) Institutions are under common control, if there is a written statement by the person or body which controls them, which gives reasonable assurance that:

(1) Transfer of residents will take place between the hospital and the facility ensuring timely admission, whenever such transfer is medically appropriate as determined by the attending physician; and

(2) There shall be interchange of medical and other information necessary for the care and treatment of individuals transferred between the institutions or for determining, whether such individuals can be adequately cared for somewhere other than in either of the institutions.

C. EXEMPTION: A facility which does not have a resident transfer agreement in effect, but which is found by the Department to have attempted in good faith to enter into such an agreement with a hospital sufficiently close to the facility to make feasible the transfer between the two facilities and the information referred to in Subsection (B) of 7.9.2.39 NMAC above, shall be considered to have such an agreement in effect if and for so long as the department finds that to do so is in the public interest and essential to ensuring nursing facility services in the community.

7.9.2.40 BEDHOLD:

A. BEDHOLD: A resident who is on leave or temporarily discharged has expressed an intention to return to the facility under the terms of the admission policy for bedhold, shall not be denied readmission, if level of care remains the same.

B. LIMITATION: The facility shall hold a resident's bed until the resident returns, until the resident waives his right to have the bed held or until the maximum time allowable as defined by facility policies expires. The facility is responsible for notifying resident and/or family of their bedhold policy.

7.9.2.42 INDIVIDUAL CARE: Each resident shall receive care based upon individual needs.

A. HYGIENE:

(1) Each resident shall be kept comfortably clean and well groomed.

(2) Beds shall be made daily, with a complete change of linen to be provided as often as necessary, but at least once a week.

(3) Residents shall have clean clothing as needed to present a neat appearance and to be free of odors. Residents who are not bedfast shall be dressed each day, in their own clothing, as appropriate to their activities, preferences, and comforts.

B. DECUBITI PREVENTION: Nursing personnel shall employ appropriate nursing management techniques to promote the maintenance of skin integrity and to prevent development of decubiti filed in the resident's
