

Department before construction is begun. The Department shall notify the facility in writing of any divergence in the plans and specifications, as submitted, from the prevailing rules.

C. The plans specified in Section 7.9.2.87 shall show the general arrangement of the buildings, including a room schedule and fixed equipment for each room and a listing of room numbers, together with other pertinent information. Plans submitted shall be drawn to scale.

D. Any changes in the approved working plans affecting the application of the requirements herein established shall be shown on the approved working plans and shall be submitted to the Department for approval before construction is undertaken. The Department shall notify the facility in writing of any divergence in the plans and specifications as submitted, from the prevailing rules.

E. If on-site construction above the foundation is not started within six (6) months of the date of approval of the working plans and specifications under Section 7.9.2.87.B, the approval shall be void and the plans and specifications shall be resubmitted for reconsideration of approval.

F. If there are no divergences from the prevailing rules, the Department shall provide the facility with written approval of the plans as submitted.
