

33-07-03.2-06. Plan of correction.

1. A facility shall submit to the department a plan of correction addressing areas of noncompliance with the licensure requirements of this chapter and chapter 33-07-04.2.
2. A plan of correction must include:
 - a. How the corrective action will be accomplished;
 - b. How the facility will identify other residents or portions of the facility having the potential to be affected by the same deficient practice;
 - c. What measures will be put into place or systemic changes made to ensure that the deficient practice will not recur; and
 - d. How the facility will monitor its corrective actions to ensure that the deficient practice is being corrected and will not recur.
3. A plan of correction is required within ten calendar days of receipt of the deficiency statement and is subject to acceptance, acceptance with revisions, or rejection by the department.
4. Corrections must be completed within sixty days of the survey completion date, unless an alternative schedule of correction has been specified by the department.
