

33-07-03.2-25. Adult day care services.

1. Any facility seeking to develop an adult day care service shall contact the department and receive advance approval as a condition of licensure.

2. A facility may use existing space and equipment to deliver adult day care services provided services to the residents of the facility are not diminished and their needs are being acceptably addressed with the following exceptions:

a. The facility shall provide dining space for congregate dining of adult day care participants in addition to space required under section 33-07-04.2-06.

b. The facility shall provide activity space in addition to space required under section 33-07-04.2-06.

c. The facility shall provide an area allowing privacy for adult day care participants to allow for rest periods.

3. A facility accepting persons for adult day care shall develop policies and procedures covering all aspects of adult day care including:

a. Medications and treatments shall be provided by facility staff only by order of a licensed health care practitioner, and records must be maintained of services provided to individual adult day care participants.

b. Individuals having a communicable disease shall not participate in the adult day care program.

History: Effective July 1, 1996.
