(d) “License” means the authority granted by the Licensing Division to operate a Nursing Care Facility.

(e) “Licensee” means any person, association, partnership, or corporation holding a Nursing Care Facility license.

(f) “Licensing Division” means the Department of Health, Office of Health Quality.

(g) “LSC” means NFPA 101 Life Safety Code cited in the Department of Health, Chapter III Construction Rules for Health Facilities.

(h) “NEC” means the National Electrical Code.

(i) “NFPA” means the National Fire Protection Association.

(j) “Nursing Care Facility” means an institution which is a skilled nursing facility (SNF) or a nursing facility (NF) which is currently licensed and meets the requirements of these rules and regulations.

(k) “Ombudsman” means the Long Term Care Ombudsman as established in W.S. §9-2-1301 through 9-2-1309.

(l) “Program Administration” means the rules and regulations promulgated by the Department of Health as developed by the Program Division for the day-to-day operation of a Nursing Care Facility.

(m) “Program Division” means the Department of Health, Aging Division.

(n) “Quality Management Program” means a program developed and implemented by the Nursing Care Facility to evaluate and improve resident care and services.

(o) “State Survey Agency” means the Department of Health, Office of Health Quality which has the primary responsibility to determine whether health care providers/suppliers do or do not meet federal certification standards to participate in the Medicaid or Medicare programs as per the agreements between the Secretary of the U.S. Department of Health and Human Services and the State of Wyoming dated June 18, 1985.

(p) “Survey” means an on-site evaluation conducted by the Survey Division or its designated representative to determine compliance with State rules and regulations for Nursing Care Facilities.

(q) “Survey Division” means the Department of Health, Office of Health Quality or its designated representative.

Section 5. Licensure. Applicants must demonstrate full compliance with paragraphs (a) and (b) of this section.

(a) Licensing Procedure.

(i) For an initial license to be issued, the Licensing Division shall receive:

(A) A completed application form as supplied by the Licensing Division.

(B) Each completed application shall be accompanied by the required licensure fee identified in Chapter 1, Rules and Regulations for Health Care Facilities Licensure Fees. The check or money order shall be made payable to the Treasurer, State of Wyoming.

(C) Applicant shall demonstrate full compliance with the licensure requirements in paragraph (b) of this section.

(ii) For renewal of a full license for one year beginning July 1st, and unless suspended or revoked, expiring on June 30th of the following year, the Licensing Division shall receive:

(A) A completed application form by the date stated in the application cover letter supplied by the Licensing Division; and

(B) The license fee as required in paragraph (a)(i)(B) of this section.

(b) Requirements for Licensure. The Licensing Division shall consider:

(i) Initial and annual renewal licensure survey deficiencies cited by the Survey Division;

(ii) Life Safety Code deficiencies cited by the Survey Division;

(iii) Complaint investigations and resolutions;

(iv) Compliance with all laws and standards relating to communicable and reportable diseases as required by the Department of Health State Health Officer and Public Health Division; and

(v) The effectiveness of the quality management program.

(c) Transfer of License.

(i) No license granted shall be assigned or transferred by the licensee without prior approval of the Licensing Division.

(A) Requests to assign or transfer a Nursing Care Facility license shall be submitted in writing by the licensee to the Licensing Division at least thirty (30) days prior to the planned date of assignment or transfer.

(B) Any license approved for assignment or transfer by the Licensing Division shall be subject to the plan of correction for licensure submitted by the previous owner.

(ii) If the Nursing Care Facility's name is changed, the Licensing Division shall be advised in writing, before the name is changed, by the current licensee and a new license will be issued upon the receipt of an application and licensure fee.

(d) Conditions for Denying, Revoking, or Suspending a License.

(i) Denial, revocation, or suspension of a license may occur for noncompliance with any provisions of these licensure rules.

(e) Suspension of Admissions.

(i) The Licensing Division may suspend new admissions or re-admissions to the Nursing Care Facility when conditions are such that resident needs cannot be met. Conditions in a Nursing Care Facility shall not jeopardize the resident's health or safety.

(f) Monitor.

(i) The Licensing Division may place a Department of Health approved monitor at the owner's expense when conditions are such that residents' needs are not being met by the Nursing Care Facility. The monitor shall insure that neither the health nor the safety of the resident is jeopardized.

(g) Hearings.

(i) Any Nursing Care Facility aggrieved by a decision of the Licensing Division may request a hearing by submitting a written request to the Licensing Division within ten (10) days of receipt of the adverse action.

(ii) Except in matters concerned with the spread of communicable disease, the Licensure Division (Nurse Administrator or designated representative) shall present the preliminary decisions and reasons for the decision to the parties concerned and shall provide an opportunity for a hearing. Any request for hearing shall adhere to the time frames of (i) above.

(iii) In matters concerned with the spread of communicable disease, the Wyoming State Health Officer or designated representative shall present the preliminary decisions and reasons for the decision to the parties concerned and shall provide an opportunity for a hearing. Any request for a hearing shall adhere to the time frames in (i) above.

(iv) Hearings requested under the terms of these licensure rules shall be held in accordance with the provisions of the Wyoming Administrative Procedures Act.

(h) Posting of License.

(i) The current license issued by the Licensing Division shall be displayed in a public area within the Nursing Care Facility.

(i) Surveys for Licensure.

(i) The Survey Division or its designated representative shall perform initial and periodic surveys for the renewal of licensure.

(A) These surveys shall be based on the current Licensure and Program Administration Rules and Regulations for Nursing Care Facilities as promulgated by the Wyoming Department of Health. If there are conflicts between the Licensure and Program Administration Rules, the Licensure Rules take precedence.

(B) The Survey Division shall provide, within ten (10) working days after the last day of survey, copies of its cited deficiencies to the Nursing Care Facility and Program Division.

(C) The Nursing Care Facility shall provide an acceptable plan of correction for all cited deficiencies, within ten (10) working days after receipt of the deficiencies, to the Licensing Division.

(ii) At the time of survey, all records, including resident medical records, pertaining to matters involved in the survey shall be made available to members of the survey team in their assigned disciplines.

(j) Voluntary Closure.

(i) If a Nursing Care Facility voluntarily ceases to operate, it shall notify the Licensing Division in writing at least thirty (30) working days prior to the closure.

(ii) The first working day after closure, the Nursing Care Facility's license shall be hand carried to or sent by certified mail to the Office of Health Quality; 2020 Carey Avenue, Eighth Floor; Cheyenne, WY 82002.

(iii) Personnel, financial and client medical records shall be maintained by the licensee for a minimum of six (6) years after the month of closure.

Section 6. Disaster Plan.

(a) All Nursing Care Facilities shall develop and adopt a written disaster preparedness plan in accordance with the Chapter 11, "Health Care Emergency Preparedness", of NFPA 99, Standard for Health Care Facilities.

Section 7. Construction/Remodeling. Department of Health Chapter III, Construction Rules for Health Facilities apply.

Section 8. Life Safety and Electrical Safety. Department of Health Chapter III, Construction Rules for Health Facilities apply.

(i) Nursing Care Facilities operating prior to the effective date of these rules, shall meet the Life Safety Code of the National Fire Protection Association that was in effect at the time the facility was licensed as a Nursing Care Facility.

CHAPTER 22 - NURSING HOME ADMINISTRATORS

33-22-101. Definitions.

(a) For the purposes of this act and as used herein:

(i) The term "board" means the Wyoming state board of nursing home administrators hereinafter created;

(ii) The term "nursing home administrator" means a person who operates, manages, supervises, or is in charge of a nursing home.

33-22-102. Board of nursing home administrators created; composition; appointment; removal; qualifications and terms of members.

(a) The Wyoming state board of nursing home administrators is created to consist of five (5) members appointed by the governor. The director of the department of health, or his designee, who is a member of a health profession concerned with the care of the chronically ill or aged patient, shall serve as an ex officio member of the board but shall not vote. The governor may remove any member he appoints as provided in W.S. 9-1-202.

(b) One (1) appointee shall hold the degree of doctor of medicine and be licensed to practice medicine in Wyoming. One (1) appointee shall be a registered nurse duly licensed to practice professional nursing in Wyoming, who is not employed by a nursing home. One (1) appointee shall be a consumer representative selected from the general public. The remaining two (2) appointees shall each be an operator-administrator of a nursing home within Wyoming, and have two (2) years' experience as a nursing home operator-administrator within Wyoming.

(c) The terms of all appointed members shall be four (4) years. Any vacancy shall be filled by the governor for the unexpired term. No more than three (3) members of this board shall be from the same political party.

33-22-103. License; issuance; qualifications; waiver of additional qualifications.

The board shall have authority to issue licenses to qualified persons as nursing home administrators. No license shall be issued to a person as a nursing home administrator unless he shall have submitted evidence satisfactory to the board of his ability to supervise a nursing home.

33-22-104. License; annual fee; expiration.

Each person licensed as a nursing home administrator shall be required to pay an annual license fee in an amount to be fixed by the board pursuant to W.S. 33-1-201. Each such license shall expire on the 31st day of December following issuance, and shall be renewable for a calendar year, upon payment of the annual license fee.

33-22-105. Disposition of fees; board of nursing home administrators' account.

All fees shall be received and collected as provided by law. The state treasurer shall keep the same in a separate account, which may be used and expended by the board to pay the compensation and travel expenses of members and employees of the board, and other expenses necessary for the board to administer and carry out the provisions of this act.

33-22-106. Officers of board; rules and regulations; compensation of board; necessary personnel.

The board shall elect from its membership a chairman, vice-chairman and secretary-treasurer, and shall adopt rules and regulations to govern its proceedings. This board will serve without compensation except for travel and per diem at the usual rate of other state officials. The board may employ and fix the compensation and duties of necessary personnel to assist it in the performance of its duties.

33-22-107. Determining qualifications of administrator; examinations; holder of license deemed qualified.

The board shall have sole and exclusive authority to determine the qualifications, skill and fitness of any person to serve as an administrator of a nursing home or similar institution. The board may give examinations and shall determine the subjects of examination for applicants for licensure as nursing home administrators, and the scope, content and format of such examinations which in any examination shall be the same for all candidates; provided, however, that such examinations shall include examination of the applicant to demonstrate his proficiency in the rules and regulations of health and safety. The holder of a license under the provisions of this act shall be deemed qualified to serve as the administrator of a nursing home.

33-22-108. Powers and duties of board.

(a) The board shall:

(i) Develop, impose and enforce standards which must be met by individuals in order to receive a license as a nursing home administrator, which standards shall be designed to insure that nursing home administrators will be individuals who are of good character and are otherwise suitable, and who, by training or experience, in the field of institutional administration, are qualified to serve as nursing home administrators;

(ii) Develop and apply appropriate techniques, including examinations and investigations, for determining whether an individual meets such standards;

(iii) Issue licenses to individuals determined, after application of such techniques, to meet such standards, and revoke or suspend licenses previously issued by the board in any case where the individual holding such license is determined substantially to have failed to conform to the requirements of such standards, subject to the provisions of the Wyoming Administrative Procedure Act;

(iv) Conduct a continuing study and investigation of nursing homes and administrators of nursing homes within the state with a view to the improvement of the standards imposed for the licensing of such administrators and of procedures and methods for the enforcement of standards with respect to administrators of nursing homes who have been licensed as such;

(v) Establish and carry out procedures designed to insure that individuals licensed as nursing home administrators will, during any period that they serve as such, comply with the requirements of such standards;

(vi) Receive, investigate, and take appropriate action with respect to, any charge or complaint filed with the board to the effect that any individual licensed as a nursing home administrator has failed to comply with the requirements of such standards; and

(vii) Upon receipt from the department of family services of a certified copy of an order from a court to withhold, suspend or otherwise restrict a license issued by the board, notify the party named in the court order of the withholding, suspension or restriction of the license in accordance with the terms of the court order. No appeal under the Wyoming Administrative Procedure Act shall be allowed for a license withheld, suspended or restricted under this paragraph.

33-22-109. Rules and regulations.

The board shall have the authority to make such rules and regulations not inconsistent with law as may be necessary for the proper performance of its duties, and to take such other action as may be necessary to enable the state to meet the requirements set forth in section 1908 of the Social Security Act, the federal rules and regulations promulgated thereunder, and other pertinent federal authority.

33-22-110. Misdemeanor.

It shall be unlawful and a misdemeanor for any person to act or serve in the capacity of a nursing home administrator unless he is the holder of a license as a nursing home administrator, issued in accordance with the provisions of this act.

Section 5. Organization and Administration.

(a) Governing Body. The Nursing Care Facility shall have a governing body which has the legal authority and responsibility to operate the Nursing Care Facility. The governing body shall:

(i) Appoint a full-time, on premise, administrator qualified by education, training and experience as established by the Wyoming Board of Nursing Home Administrators.

(A) The administrator shall have a current license as a Wyoming Licensed Nursing Home Administrator.

(ii) Temporary License. A temporary license may be granted by the Wyoming Board of Nursing Home Administrators:

(A) To fill a position of Nursing Home Administrator that unexpectedly becomes vacant;

(B) For a period not to exceed six (6) months;

(C) After consideration by the Board of Nursing Home Administrators on an individual basis; and

(D) To an individual who does not meet all the licensing requirements under the Act, but who is of good character and meets the educational requirements as stated.

(iii) A temporary license may be renewed for good cause for one (1) time if requested thirty (30) days prior to the termination of the initial temporary license.

(iv) The administrator of a hospital with a connecting nursing care wing can serve as the administrator and shall be licensed as a Wyoming Nursing Home Administrator.

(v) The administrator shall enforce the rules and regulations relative to the level of health care and safety of residents and for the protection of their personal and property rights.

(vi) The administrator shall plan, organize, and direct those responsibilities delegated to him by the governing body or its equivalent.

(vii) An employee of the facility shall be authorized in writing to act on the administrator’s behalf during his/her absence.

(b) Personnel policies and procedures. The governing body or its equivalent, through the Nursing Home Administrator, shall be responsible for implementing and maintaining written personnel policies and procedures that support sound resident care and personnel practices.

(i) Personnel records for each employee shall be current and available and shall contain sufficient information to support placement in the position assigned.

(A) References from former employers and evidence of current certification, licensure, or registration.

(B) An evaluation of the employees work performance shall be done yearly.

(ii) Written employee policies shall be available covering job descriptions, functions and special procedures.

(iii) Written policies shall be in effect to ensure that newly hired and current employees do not spread a communicable disease that could be transmitted through usual job duties.

(iv) Written policies shall ensure a safe and sanitary environment for residents and personnel.

(A) Tuberculin testing shall be accomplished for each employee upon employment and before resident contact begins and annually thereafter.

(B) Employees having known positive skin tests shall provide a certificate of noninfectiousness from a physician, recommendations, if any, for treatment, and evidence that they have complied with such recommendations.

(C) Individuals providing documentation of negative skin tests administered within the last year need no physician follow-up at this time.

(D) Individuals never having had a skin test or who do not have written proof of skin test results, shall have an intradermal Mantoux using 5TU PPD. This shall be accomplished via the two (2) step procedure. If the first test is negative and the employee is asymptomatic, the employee may engage in resident contact prior to the results of the second skin test.

(I) A negative reaction requires no follow up by a physician at this time.

(II) A positive reaction (10mm induration using 5TU PPD) requires a referral to a physician for x-ray and certification of noninfectiousness and appropriate treatment if needed. Follow-up shall comply with the recommendations of the attending physician.

(E) If symptoms occur, a new certificate of noninfectiousness is required from the physician.

(c) Resident Care Policies. The Nursing Care Facility shall have written policies to govern nursing care and related medical or other services provided.

(i) The policies shall be available to admitting physicians, sponsoring agencies, residents and the public.

(ii) The policies shall reflect awareness of and provision for meeting the total medical and psycho-social needs of the residents.

(iii) The policies shall include provisions to protect residents' personal and property rights.

(iv) Medical records and minutes of staff and committee meetings shall reflect that resident care is being rendered in accordance with the written resident care policies.

(v) The medical director or director of nursing shall be designated in writing to be responsible for the execution of resident care policies.

(A) If the director of nursing is delegated the responsibility for day-to-day execution of resident care policies, the medical director shall serve as the advisory physician from whom the director of nursing receives medical guidance.

(vi) Policies shall state if specialized rehabilitative services are provided by or available in the facility. Residents who require rehabilitative services not offered by the facility shall not be admitted.

(A) Specialized rehabilitative services include physical therapy, speech and hearing therapy and occupational therapy.

(vii) The facility shall have individualized means of resident identification other than the resident's medical record.

(viii) There shall be an administrative policy relative to resident smoking.

(ix) The individual in charge of the facility on each work shift shall have in his/her possession, or be able to immediately obtain, keys to all doors pertaining to resident care and safety.

(A) No resident shall be locked in his/her room.

(x) The facility shall cooperate in submitting periodic reports requested by the Licensing Division.

Section 6. Physical Environment.

(a) The building(s) of the Nursing Care Facility shall be constructed, arranged and maintained to ensure the health and welfare of all residents.

(i) An employee shall be designated responsible for services and for the establishment of policies and procedures in each of the following areas:

(A) Plant maintenance;

(B) Laundry operations; and

(C) General housekeeping.

(ii) There shall be written rules and regulations governing the handling and storing of oxygen, and maintenance of oxygen equipment. Only labeled Medical Grade USP Oxygen shall be used.

(iii) Approved incineration facilities shall be provided and maintained or other approved procedures shall be used for disposal of resident wastes, as well as sanitary disposal of all other wastes.

(A) These facilities, location and methods shall be in accordance with recommendations of the Centers for Disease Control and Prevention, the National Institutes of Health and in compliance with air pollution standards.

(iv) Shower/bath and resident lavatories shall be set to provide water of a temperature not to exceed 110 degrees Fahrenheit.

(v) The water source of an emergency potable supply shall be identified and shall be sufficient in volume to meet facility needs.

(b) Sanitary Environment. The Nursing Care Facility shall establish policies and procedures for investigating, controlling and preventing infections.

(i) Policies, procedures, and techniques shall be regularly reviewed, particularly those concerning food service, laundry practices, and the disposal of environmental and resident wastes.

(ii) A facility policy shall be developed for reporting and monitoring employees with an infection that could be transmitted through usual job duties to residents, their food or laundry.

(iii) The facility shall report the required diseases/conditions to the Wyoming Department of Health, Epidemiology Unit as per W.S. §35-4-107. In addition, those conditions classified as nosocomial where two (2) or more persons, either residents or employees, are affected shall be reported immediately to the State Health Officer, the County Health Officer, and the Licensing Division. The Nursing Care Facility Administrator or his/her designated representative shall furnish all available pertinent information related to such disease or condition to the Licensing Division.

(iv) Inservice education shall be provided for all employees. This shall include the practice of aseptic techniques, such as: handwashing/universal precautions, proper grooming, masking and gowning procedures (for isolation), disinfection and sterilizing techniques, and the handling and storage of resident care equipment and supplies plus decontamination methods.

(A) Continuing education shall be provided to all employees on the cause, effect, transmission, prevention and elimination of infections.

(v) Animals, birds, and other pets shall be allowed in the Nursing Care Facility with the approval of the resident council and:

(A) The pet has had an examination prior to entering the Nursing Care Facility and annually thereafter, or more frequently if required by the pet's health condition;

(B) The pet's vaccinations are current;

(C) The pet is not allowed in the residents' dining room during dining hours or in any food preparation area; and,

(D) Someone must be designated as the primary caretaker of the pet, other than a resident of the facility.

(E) Aquariums and enclosed aviaries are excluded from the above requirements provided they are properly secured and are maintained in an approved sanitary manner. Aquariums must be protected to prevent spillage or breakage.

(vi) Humidifiers and all oxygen equipment shall be maintained according to the manufacturer's recommendations and acceptable standards of practice.

(c) Dietary Facilities. Food shall be stored, prepared, distributed, and served under proper sanitary conditions.

(i) Non-dietary personnel shall be excluded from the dietary area and the traffic pattern shall be strictly controlled;

(ii) Employees shall not eat or use tobacco products in any food preparation area;

(iii) A written policy shall be developed and adhered to for the cleaning and sanitizing of all ice machines; and

(iv) Equipment and work areas shall be clean and orderly. Effective procedures for cleaning all equipment and work areas shall be followed consistently to safeguard residents' health.

(d) Laundry.

(i) All soiled linens shall be transported in closed bags. Isolation linen shall be handled according to current acceptable standards of practice.

Section 12. Specialized Rehabilitative Services. Facilities admitting patients in need of specialized rehabilitative services shall provide such services by qualified personnel.

(a) Rehabilitative care initiated in the hospital shall be continued immediately upon admission to the facility.

(b) The facility that does not employ qualified personnel to provide a specialized service shall have a written agreement with the outside resource.

(c) Facilities that do not provide specialized rehabilitative services shall not admit or retain residents in need of specialized rehabilitative services.

(d) A report on the resident's progress shall be communicated to the attending physician within two (2) weeks of the initiation of the specialized rehabilitative service.

(e) The resident's progress shall be reviewed regularly thereafter and the plan of rehabilitative care shall be reevaluated at least every thirty (30) days by the physician and therapist.

(f) Safe and adequate space and equipment shall be available if the facility provides specialized rehabilitative services.

Section 13. Pharmaceutical Services. The Nursing Care Facility shall provide appropriate methods and procedures for the dispensing and administering of drugs and biologicals. Whether drugs and biologicals are obtained from community pharmacists or stocked by the facility, the facility shall be responsible for providing such drugs and biologicals for its residents and for ensuring that pharmaceutical services are provided in accordance with acceptable professional principles and appropriate federal, state and local laws.

(a) Supervision of Services. The pharmaceutical services shall be under the general supervision of a licensed pharmacist.

(i) The pharmacist, if not a full-time employee, shall devote a sufficient number of hours, based upon the needs of the facility, during regularly scheduled visits to carry out his/her responsibilities.

(b) Pharmaceutical Services Committee.

(i) Pharmaceutical Services committee or its equivalent shall be responsible for developing policies and procedures for safe and effective drug therapy, distribution, control and use.

(A) The committee shall be comprised of at least the pharmacist, the director of nursing service, the administrator and one (1) physician.

(B) The committee shall oversee the pharmaceutical service in the facility, make recommendations for improvement and monitor the service to ensure accuracy and adequacy.

(C) The committee shall meet at least quarterly and document its activities, findings and recommendations.

(ii) The pharmacist shall submit a written report at least quarterly to the pharmaceutical services committee on the status of the facility's pharmaceutical services and staff performance.

Section 14. Dental Services.

(a) The facility shall have an advisory dentist who shall provide consultation, develop and participate in inservice education, and recommend policies concerning oral hygiene. Records of in-service education meetings shall be in writing.

(b) Nursing personnel shall assist the resident to carry out the dentist's recommendations.

(c) All dental examinations and dental treatments shall be entered on a dental record and made a part of the resident's medical record.

(d) Oral hygiene shall be a part of each resident's care daily.

Section 15. Social Services.

(a) The medically related social and emotional needs of the resident shall be identified and services shall be provided to meet them, either by qualified staff (a social worker or social service associate), or through written procedures for referral to appropriate social agencies.

(i) Facilities shall offer social services regardless of the size of the facility.

(A) An individual on the facility staff shall be designated in writing to maintain liaison with social, health and community agencies.

(B) As appropriate, there shall be arrangements with qualified social workers or recognized social agencies for consultation and assistance on a regularly scheduled basis.

(ii) Current records and pertinent social data concerning personal and family problems medically related to the resident's illness and care shall be maintained in each resident's record by the social service personnel.

(A) Up-to-date progress notes of relevant psycho-social issues and interventions shall be maintained in each resident's record by social service personnel.

(iii) Policies and procedures shall be established for ensuring confidentiality of residents' social information.

(iv) There shall be space provided to ensure privacy for interviews by social service personnel with the resident.

(v) Provision shall be made for in-service training to facility staff directed toward understanding emotional problems and social needs of residents and the means of taking appropriate action in relation to them, and the necessity of confidentiality.

(vi) Arrangements shall be made promptly when financial assistance is indicated or personal finances are depleted, i.e., private paying residents no longer able to pay for care in the facility.

Section 16. Medical Records.

(a) Maintenance of Clinical Records. The facility shall maintain a separate and complete medical record for each resident admitted with all entries kept current, dated and signed.

(i) The medical record shall include:

(A) Identification and summary sheet(s) including resident's name, social security number, marital status, age, sex, home address, and religion; name, address, and telephone number of referral agency (including hospital from which admitted), personal physician, dentist, and next of kin or other responsible person; admitting diagnoses, final diagnoses, category of care, condition on discharge and disposition, source of payment, and any other information needed to meet State requirements.

(B) Initial medical evaluation including medical history, physical examination and diagnosis.

(C) Authentication of hospital diagnoses, in the form of a hospital discharge summary, or a written report from the physician who attended the resident in the hospital, or a transfer form used under a transfer agreement.

(D) Physician's orders, including all medications, treatments, diet, rehabilitative and special medical procedures required for the safety and well-being of the resident.

(E) Physician's progress notes describing significant changes in the resident's condition, dictated or written at the time of each visit.

(F) Nurses' notes which shall include but not be limited to the following:

(I) Concise and accurate record of nursing care administered.

(II) Record of pertinent observation of the resident including psycho-social as well as physical manifestations.

(III) Name, dosage and time of administration of medications and treatments, route of administration except if by oral medication.

(IV) Record of type of restraint and time of application and removal. The time of application and removal shall be necessary for all restraints prescribed by the physician for the support and protection of the resident.

(G) Medication and treatment record including all medications, treatments and special procedures performed for the safety and well-being of the resident.

(I) Laboratory and x-ray reports.

(II) Consultation reports.

- (III) Dental reports.
- (IV) Social service notes.
- (V) Resident care referral reports.
- (VI) Activity reports.

(b) Retention of Records.

(i) The facility shall have policies providing for the retention and safe-keeping of residents' medical records by the governing body for the required period of time in the event that the facility discontinues operation.

(ii) A copy of the resident's clinical record or an abstract thereof shall accompany the resident who is transferred to another facility.

(c) Staff Responsibility. An employee of the facility shall be assigned the responsibility for assuring that records are maintained, completed, and preserved if the facility does not have a full or part time medical record librarian.

(i) The designated individual shall be trained by and receive regular consultation from a person skilled in record maintenance and preservation.

Section 17. Residents Activities.

(a) Resident Activity Program. An on-going program of meaningful activities appropriate to the needs and interests of residents shall be provided.

(i) The program shall be designed to promote opportunities for residents to engage in normal pursuits, including religious activities of their choice, if any.

(ii) Activities shall be designed to promote the physical, social and mental well-being of each resident.

(iii) The facility shall make available adequate space and a variety of supplies and equipment to satisfy the individual interests of residents.

(iv) Residents shall not be required to participate in activities if they do not desire.

Section 18. Transfer Agreement.

(a) Resident Transfer. The transfer agreement shall provide reasonable assurance that the transfer of residents will be effected between the hospital and the facility whenever such transfer is medically appropriate as determined by the attending physician.

(i) The agreement shall be with hospitals close enough to the facility to make the transfer of residents feasible.

(b) Where the transfer agreement specifies restrictions with respect to the types of services available in the hospital or the facility and/or the types of residents or health

conditions that will not be accepted by the hospital or the facility, or includes any other criteria relating to the transfer of residents (such as priorities for persons on waiting lists), such restrictions or criteria shall be the same as those applied by the hospital or facility.

(c) Execution of Agreement. The transfer agreement shall be in writing and shall be signed by individuals authorized to execute such agreements on behalf of the facilities, or, in case the two (2) facilities are under common control, there shall be a written policy or order signed by the person or body which controls them.

(i) The terms of the transfer agreement shall be established jointly by both facilities when the hospital and the facility are not under common control.

(ii) Each facility participating in the agreement shall retain a current copy of the agreement.

(d) Specification of Responsibilities. The transfer agreement shall specify the responsibilities each facility assumes in the transfer of residents and information between the hospital and the facility.

(i) The agreement shall establish responsibility for notifying the other facility promptly of the impending transfer of a resident, arranging for appropriate and safe transportation, and arranging for the care of residents during the transfer.

Section 19. Grievances and Complaints.

(a) Every resident in a Nursing Care Facility shall have the right to:

(i) Upon admission, review the Nursing Care Facility grievances and complaint process and receive updated information at six (6) month intervals.

(ii) Voice grievances and complaints on behalf of themselves or others without discrimination or reprisal.

(iii) Have available in a conspicuous place telephone numbers and addresses of the Long-Term Care Ombudsman, Protection and Advocacy, the local Department of Family Services Adult Protection office, the Medicaid Fraud Control Unit, the Wyoming State Survey Agency, and the facility's grievance/complaint representative.

Section 20. Grievance Investigations.

(a) Each Nursing Care Facility shall establish a system of reviewing allegations of violations of residents' rights and develop internal operating procedures for reporting and resolution.

(i) In order to ensure that residents continue to be aware of these rights and responsibilities, a written copy is to be prominently posted in a location that is available to all residents.

(ii) Prompt efforts must be demonstrated by the facility to resolve grievances the resident may have, including those with respect to the behavior of other residents and the services provided by the facility.

Section 21. Complaint Investigations.

- (a) Residents' unresolved grievances and/or complaints shall be referred to the Long-Term Care Ombudsman.
- (b) The Office of the Ombudsman shall complete all complaint investigations within an appropriate time frame depending upon the seriousness of the allegations.
- (c) Written reports of investigations and the status of resolutions completed by the Nursing Care Facility shall be provided by the Long-Term Care Ombudsman to the Licensing Division within thirty (30) days after the completion of the investigation.

Exception: Those complaints or problems reported directly to the State Survey Agency or referred by the Long-Term Care Ombudsman to the State Survey Agency shall be investigated by the State Survey Agency as per the Agreement between the Secretary of the U.S. Department of Health and Human Services and the State of Wyoming dated June 18, 1985.

Section 22. Hearings.

- (a) The Program Division Administrator shall present the preliminary decisions and reasons to the parties concerned and provide an opportunity for resolution. Any request for a hearing by the facility shall adhere to the time frames of (b) below.
- (b) Any Nursing Care Facility aggrieved by a decision of the Program Division may request a hearing by submitting a written request to the Program Division within ten (10) days of the date of the adverse action at 6101 Yellowstone Road, North Building, Room 259B, Cheyenne, WY 82002.
- (c) In matters concerned with the spread of communicable disease, the Wyoming State Health Officer shall present the preliminary decisions and reasons to the parties concerned and provide an opportunity for a hearing. Any request for a hearing by the facility shall adhere to the time frames of (b) above.
- (d) Hearings requested under the terms of these rules and regulations shall be held by the Program Division in accordance with the provisions of the Wyoming Administrative Procedures Act at W.S. §16-3-101 et. seq.

Section 23. Licensure.

- (a) Shall be in accordance with the current Rules and Regulations for Licensure of Nursing Care Facilities adopted by the Department of Health.
- (b) Licensure Rules and Regulations are available at a nominal fee from the Office of Health Quality, 2020 Carey Avenue, 8th Floor, Cheyenne, WY 82002, 307-777-7123.
