58.11(2) Nursing supervision and staffing.

...e. The department may establish on an individual facility basis the numbers and qualifications of the staff required in the facility using as its criteria the services being offered and the needs of the residents. (III)

f. Additional staffing, above the minimum ratio, may be required by the department commensurate with the needs of the individual residents. (III)

g. The minimum hours of resident care personnel required for residents needing intermediate nursing care shall be 2.0 hours per resident day computed on a seven-day week. A minimum of 20 percent of this time shall be provided by qualified nurses. If the maximum medical assistance rate is reduced below the 74th percentile, the requirement will return to 1.7 hours per resident per day computed on a seven-day week. A minimum of 20 percent of this time shall be provided by qualified nurses. (II, III)

h. The health service supervisor's hours worked per week shall be included in computing the 20 percent requirement.

i. A nursing facility of 75 beds or more shall have a qualified nurse on duty 24 hours per day, seven days a week. (II, III)

j. In facilities under 75 beds, if the health service supervisor is a licensed practical nurse, the facility shall employ a registered nurse, for at least four hours each week for consultation, who must be on duty at the same time as the health service supervisor. (II, III)

...l. There shall be at least two people who shall be capable of rendering nursing service, awake, dressed, and on duty at all times. (II)

58.54(4) Separate written policies and procedures shall be implemented in each CCDI [chronic confusion or a dementing illness] unit or facility. There shall be:

...d. Policies and procedures concerning staff which state minimum numbers, types and qualifications of staff in the unit or facility. (II, III)

58.54(7) There shall be at least one nursing staff person on a CCDI unit at all times. (I, II, III)
