ARIZONA

Resident Bedroom

4. A resident room has a window to the outside with window coverings for controlling light and visual privacy, and the location of the window permits a resident to see outside from a sitting position;

5. A nursing care institution has no more than two beds in a resident room unless:
   a. The nursing care institution was operating before October 31, 1982, and
   b. The resident room has not undergone a modification as defined in 9 A.A.C. 10, Article 1;

6. A resident room or a suite of rooms is accessible without passing through another resident’s room;

7. A resident room or a suite of rooms does not open into any area where food is prepared, served, or stored;

8. A resident room that has more than one bed has a curtain or similar type of separation between the beds for privacy;

9. A resident room has a closet with clothing racks and shelves accessible to the resident;

10. A resident has a separate bed, a nurse call system and furniture to meet the resident’s needs;

2. If applicable, a sign is placed at the entrance to a room or area indicating that oxygen is in use;
